**Betreff:** Overnight accommodation in Hoorn in July

Dear Vega sailor,

Based on the preliminary registrations, it appears that a number of IFR participants (blind copy) who come to Hoorn without their Vega. Unfortunately there is no further overnight accommodation in the club port. Therefore I give you some overnight possibilities.

1. There is a campsite (De Appelhoek) at a distance of 15 car minutes driving. The Appelhoek is a farm along the IJsselmeer with camping site, apartments, B&B and group accommodation. See: [appelhoek.nl](http://appelhoek.nl) for the pictures and English text. If you like to book you can do it yourself.

2. In addition, I try to reserve some more places for a camper / caravan in a neighboring port (Grashaven) which is also about 15 minutes by car to the club port or 20 minutes walking through town, or 6 minutes by (rental) bike. Would you like to report me when you want a camper place in the Grashaven. I am not sure I can reserve more places but I will do my best to realize this.

3. In case you want to stay within walking distance (10 walking minutes) from the harbor, I have been able to reserve rooms in a family hotel called De Magneet until March 18th. I think this is the most 'cheap' option for hotels in Hoorn. Breakfast is included. I temporarily reserved enough rooms (2x 2 people, 1x 4 people and 1x 1 person) for everyone who does not yet have a place to stay as, far as I know. See figures below. If you wish to book this hotel, please book it yourself. Website: [www.hoteldemagneet.nl](http://www.hoteldemagneet.nl) E-mail: [info@hoteldemagneet.nl](mailto:info@hoteldemagneet.nl) Phone: +31 229 215 021.

You can also book that room on [Booking.com](https://www.booking.com). Slightly more expensive (6%) but in case you want to it is possible to cancel, I believe, up to 48 hours before the date.

Succes and kind regards,

Iteke van Balen
